ARROW 1980

Brad
To the best
Warrior in the
land. Tell Scott
(from Vicki) that
I said his gorgeous
(so are you)
Love Janice
(Vicki's best friend)

Best Wishes

Jon M.

Brad (Pinto)
Nice doing it with you at last
Next year I hope I can have a happy
Christmas with you and
your family
Love Janice

Brad, Sally, Kelly, Sharon

To a really good looking guy who I dated for a short time and a pretty good friend. You were a nice guy and I hope you get your act together. Have a great summer!! Hope you get good luck everything you wish for. Love ya Kelly.

P.S. Remember when we were younger! Those were the good old days!

Dear Love,
I love you
(so what's new?)
Am ready to look life
forward to all my
together. Love,
Kay

The yearbook staff invites readers of the 1980 *Arrow* to enter the new decade, to enter it boldy with a commitment to end the injustices of the past, to resolve the problems of the present, and to make the future a place of dreams.

Follow us through these pages, believe with us in the wonders of the future, and . . .

ENTER THE BRAVE NEW WORLD

WARRIOR FIGHT SONG

GO MIGHTY WARRIORS
FIGHT FOR THE RED AND GREY
WE'LL CHEER YOU ON TO VICTORY
AND BE LOYAL ALL THE WAY

AND WHEN OUR COLORS HIT THE FIELD
WE'LL RAISE OUR MIGHTY CHEER
RAH! RAH! RAH! . . . FOR WE KNOW
A WARRIOR VICTORY WILL SOON BE HERE

ALMA MATER

Hail to thee our Alma Mater
Praise the Warrior's might
Sing a song of our school days
Give all for the red and grey

Oh tell of treasured memories
So dear to you and me
Oh hail to thee, Oh hail to thee,
We pledge our loyalty

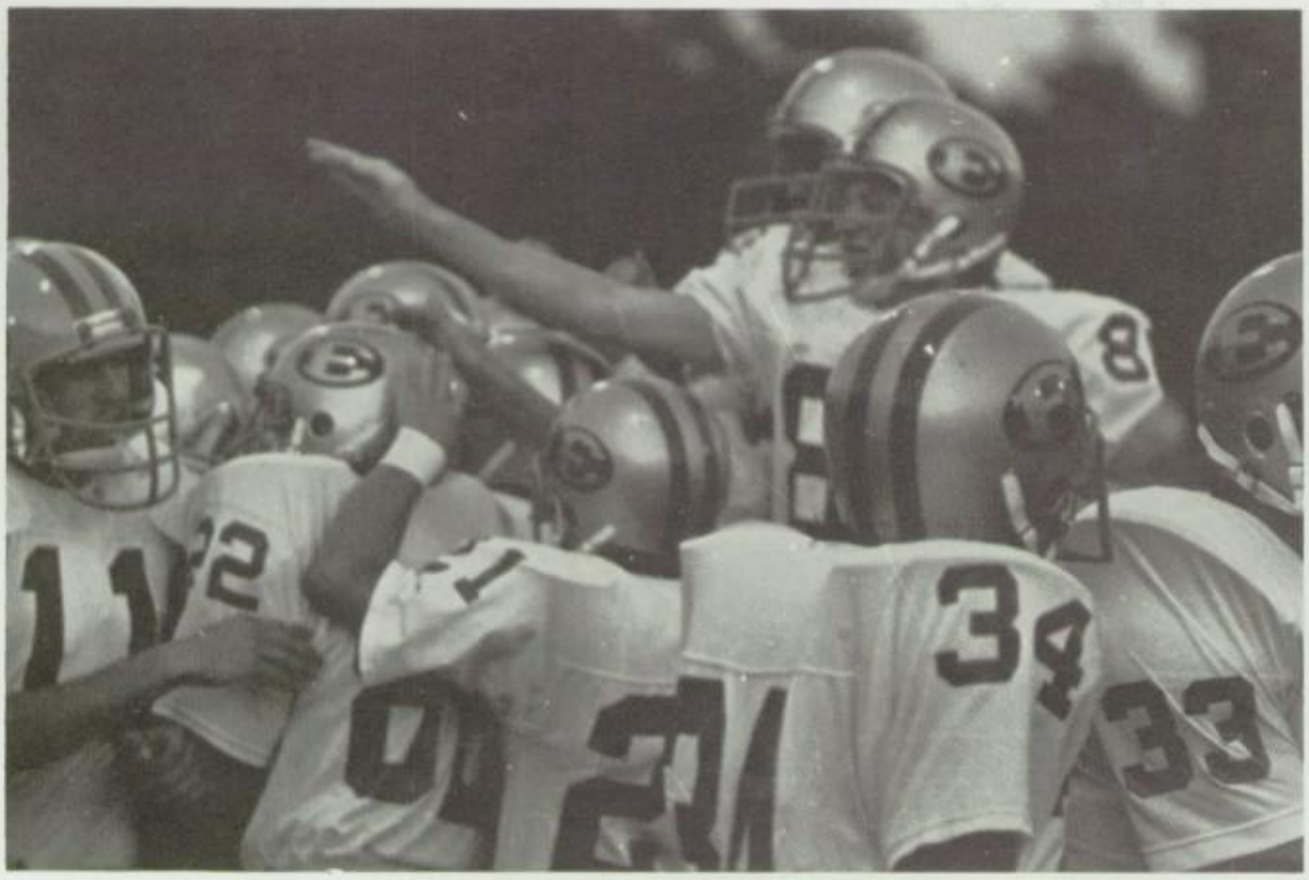
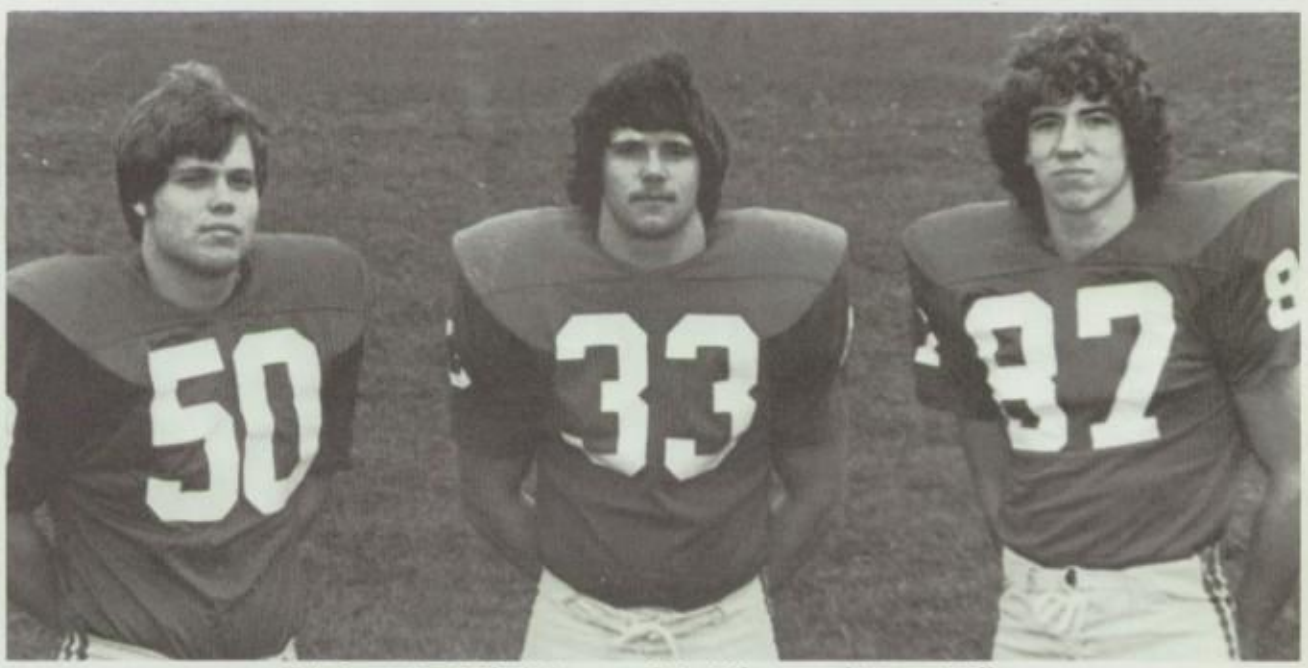
Stretchin' and Strategy



Getting Psyched for the Game

Ready to Take on the Opposition



Tri-Captains Mike Meaney, Eric Milano and Roger Miller

The 1979 football season was a season where we had set many goals such as the N.E.C. Championship and being undefeated. After getting off to a great start with three straight wins, I feel that sustaining injuries to key players coupled with poor execution caused us to lose two mid-season games. We maintained our good attitude and were able to finish the second half of the season with 4 wins and one hard fought loss to N.E.C. Champion Geneva.

I was extremely proud of our team with their play in the Conneaut and St. John games. With these two victories we reestablished ourselves as a very good football team.

Warriors Breaking Out of the Pack

Kneeling: T. Gebhardt, V. Stewart, G. Webster. Standing: G. Rumer, B. Howes, J. Callibarri, D. Mikolay.

This year's team was for the most part, young and inexperienced. No one on the team had more than one year's experience before the season began.

Injuries played a key role to some of the key runners. Craig Stewart, Alan Johnson and Jerry Callibarri were all hampered throughout the season. That certainly affected the teams final standings in the league.

In considering the above factors, the season was quite successful in terms of wins and losses. Several individuals accomplished personal goals they had established for themselves prior to the season.

The outlook for next year appears bright at this point. Hopefully, injuries will not occur again. There will be several of this year's team that will be returning.

Having only one returning letterman made our team quite young and inexperienced. We had, however, a very good year finishing with an 8-6 record which was good for 3rd place in the league. Our team also finished 2nd in the annual N.E.C. Tournament.

We also qualified one man, Pat Mauri, out of sectionals to play in the district tournament.

This year's team won the praise and support of the entire school district. All-County and All-NEC performer's Jeff Cicon, Jim Welty, and Jon Hall led the Warriors to fourteen straight victories before defeat. In fact, the three losses suffered this year were by a total of seven points.

With the aid of Senior Brad Corlew and Juniors Joel Cuffman, Mark McKinney, Bart Kanicki, and Craig Kolasinski, the team was able to withstand opponents much taller and quicker. Great teamwork and superb passing with excellent defense served as the trademark of this team. And who can forget the excellent play of Senior Cline Hunt and Juniors Gary Baughman, Bob Frey, and Jay Corlew who made everyone better because of their dedication, hustle, and teamwork during practice.

The entire team has certainly given other teams of the school something to strive for in the future.

This year, with the exception of Geneva, the NEC was the toughest and best balanced that it has been. We were in first or second place the first half of the year only to get knocked out of contention during the second half. We finished 7-7 in the NEC but had trouble in our non-league contests where we were 1-4. We were unfortunate in our tournament draw to pick Mentor who finished second to Eastlake North in the District. We will graduate 7 seniors this year who will be very much missed. Most of these girls have been with us for 3 years.

SENIOR TRACK MEN

Although the team did not do as well as they had hoped they would, the season was really quite successful. This is evidenced by the fact that our dual meet record showed 7 wins and only one defeat (at the hands of the league champions Riverside — our nemisis for the past several years).

The team did not possess enough "superstars" to score the first place finishes in the "big" meets as has been the same case in the last few years. Riverside was the surprise team in the league, as they were thought to be in a building year. Our team was one of the pre-season favorites to win it all.

The graduating seniors will be sorely missed next year. You can never replace seniors with sophomores in this sport. We can only hope that next year's seniors will take over where the others left off. A team can't look back at the past but must look forward to the future with optimism.

The Warrior Softball Team reached two of its goals — AAA Sectional Tournament Champs and City Series Champs although it fell short of the N.E.C. Championship. There is a tradition in Warrior Softball Country: we reach for excellence — the championship.

The philosophy I offer my players is this: if you would be champions, you must dedicate yourselves to excellence; you must make a commitment to the team, putting it above all personal goals; you must sacrifice for it and believe in it for at 50% we are losers, but at 100% we are invincible . . . we are Warriors.

WARRIOR OF THE YEAR

LYNNE SILVIEUS

Lynne Silvieus was a three year letter winner in volleyball, basketball and softball. She was captain and M.V.P. both her junior and senior years and was First Team All N.E.C. and First Team All County in volleyball. In basketball she was again captain and M.V.P. both her junior and senior years and was all N.E.C. Second Team and a Regional Press Selection. She was the captain and M.V.P. of the softball team and was named All N.E.C. First Team Second Baseman.

Lynne was president of the Varsity E Club and often worked with elementary and junior high girls in basketball and softball programs.

Valedictorian of her class, she is the ideal scholar-athlete, and her coaches highly praise her sportsmanship, leadership and dedication.

LAURA SILVIEUS

The Varsity E Club voted to award an honorary Warrior of the Year 1973 to Laura Silvieus, a former Edgewood athlete who graduated before the first award was given. She was a member of the first girls' basketball team in 1970-71 and was the first captain and the first M.V.P. She was a member of the first softball team in 1972 and was again the first captain and the first M.V.P. She was valedictorian and president of her class and was the first president of the Varsity E Club. She went on to letter in three sports, volleyball, basketball, and softball at the University of Chicago. She was a founder of girls' athletics at Edgewood and has been a model for athletes who followed her, including her sister, Lynne.

"Lynne was a dedicated athlete and an exceptional leader. No one ever loved the game more; no one was ever more strongly committed to the team. This, our highest honor, could not have been bestowed upon a more worthy individual."

Coach Jackie Hillyer

"Lynne was very coachable and unselfish. She played hard and was a good floor and team leader. No Edgewood athlete was ever more deserving of the honor and title, Warrior of the Year."

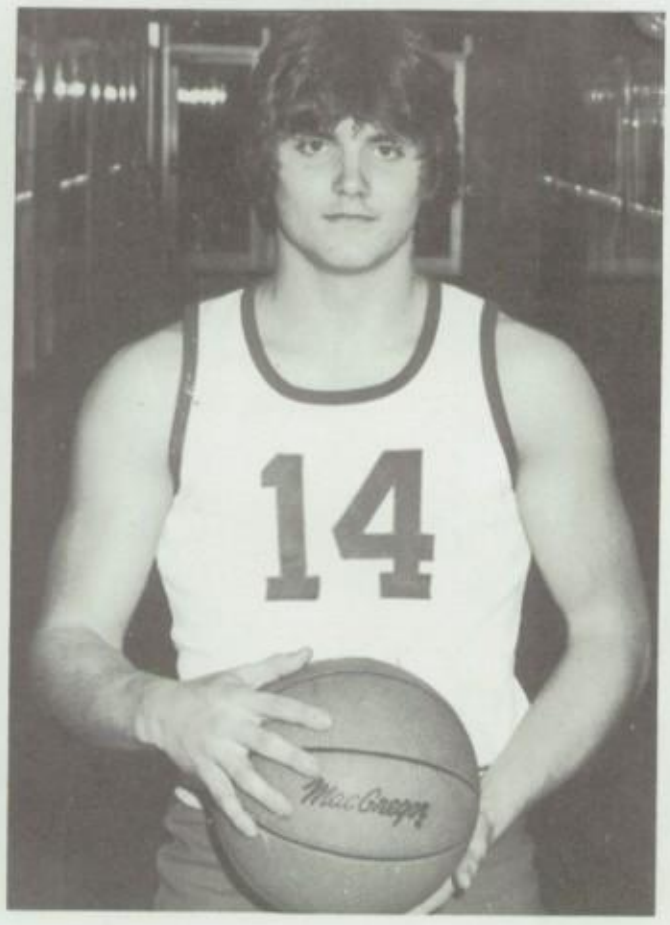
Coach Bob Callahan

WARRIOR OF THE YEAR

CLINE HUNT

Cline Hunt was a valuable member of the football, basketball and track teams. In football, he was a two year letter winner and a two way starter as defensive back and flanker. He was All N.E.C. First Team and All County First Team Flanker. He was also a two year letter winner in basketball. A two year letter winner in track, he took third place in the 100 and 200 meters at the Elmer Gray, and third place in the 100 meter and high hurdles and fourth place in the 200 meter in the N.E.C. In the AAA Sectional, he took sixth place in the 100 meter. He was named Most Valuable Runner in track.

His coaches agree that his dedication, team work, and unselfishness contributed highly to the success of the football, basketball, and track programs this year. He is the type of individual the coaches believe this award is intended to honor.



"Cline was a team player and one of the hardest working, most dedicated, and best athletes I have ever coached. He is the good person, good citizen that this award stands for."

Coach Mike Kaydo

"Cline is a well-rounded athlete. He was a valuable member of the basketball team who contributed enormously to the great season of 1980. He is easy to coach and is willing to do whatever is asked."

Coach Jon Hall

"Cline was instrumental in the success of the track team, not only this year but in previous years as well. He contributed very heavily as a four event man and was selected the Most Valuable Runner by his teammates."

The Homecoming preparations began with the nomination of candidates September 20; Friday, September 21, the student body selected their court. The eight girls chosen for this honor were Shelley Hossain, Janet Manyo, Janna Nelson, Roselle Orlando, Jeanine Penna, Jill Rossi, Karen Stevens, and Karen Woodring. This was the beginning of a week filled with suspense. Who would be the Homecoming Queen of the 1979 football season?

The girls prepared windows and made posters displaying different aspects of their lives. Friday, September 28, the students participated in the selection of this year's queen. That night at the pre-game proceedings Jill Rossi was crowned queen.

THE SKIN OF OUR TEETH

The Skin of Our Teeth by Thornton Wilder, presented in November, revolved around the trials and tribulations of the Antrobus family. Act One concentrated on common family problems that occurred while a great wall of ice closes in on them. Act Two presented the family in the midst of sin and degradation at an amusement park near the ocean before the Great Flood. Act Three toyed with a simple family crisis during the war — any war.

This musical is a comical version of "The Princess and the Pea." The excellent portrayal of Queen Agravain shows a mother who wants her son to remain tied to her apron strings. Because of this she has to make it impossible for Prince Dauntless to marry. Many hopeful princesses are tested but fail to please the queen. Princess Winnifred, the last hope, is given a sensitivity test, a pea under twenty mattresses, to certify she is of royal blood. Queen Agravain is certain the princess will sleep peacefully and her son will be hers forever. However, her plans are foiled because Winnifred spends a sleepless night. Since Princess Winnifred passed her test, she and Prince Dauntless could marry, and they lived happily ever after.

Death in the family

The **Mortality Plays** were composed of five one-acts, all dealing with death. In **Fortitude** a woman was kept alive by the medical genius, Dr. Frankenstein. **This Property Is Condemned** is a dialogue between two young children who discuss the death of the girl's sister. They found that death is not pretty, as it is portrayed in the movies. The family of an old lady sits around waiting for grandma to die in **The Sandbox.** Ninety years are covered in the play, **The Long Christmas Dinner** which represents ninety Christmas dinners in the lives of the Bayard family. As each member died, he left through the symbolic death door. **At The Exit** takes place in a country cemetary. There the dead wandered freely in the vain guises they assumed in life.

Student Council helping with the snack shack

Student Council did its best to serve the student body this year. They ran the snack shacks at football and basketball games, gave a dance, and collected nominations for student of the month. Members held an all schools council meeting at Edgewood to try to solve problems in the schools and within the council itself. They hope to have set a precedent for having a presidents' council which will meet annually to discuss difficulties in the schools.

BUNNELL'S BUNCH

Thank you Mrs. Bunnell.

I want your blood.

The Science Club began its year's activities by learning to bake the metric way. The club had regular meetings to plan the year's activities which included visiting the Ashtabula General Hospital, and eating dinner at Hulbert's Restaurant. Club members parked cars at the Ashtabula Armory for the Home and Flower Show to help pay for the trips to Columbus and Mohican Camping Grounds. While in Columbus the members stayed with Ohio State University Students, Cathy Wheatly and Steve Carter, who suggested various activities. At Mohican the students enjoyed canoeing, hiking, volleyball, horse back riding, and eating the delicious food prepared by Mrs. Bunnell.

Could it be a family?

This year's Spanish club did not have the standard boring meetings. When they met it was to visit some place of interest. The members traveled to Cleveland in order to see the Art Museum; the Dalí exhibit; and the opera *Carmen* which was presented at the Metropolitan Opera House. In order the earn money for the club's activities, the group prepared a booth of pinatas and ojos de dios for the Zonta Bazaar held at Kent State University at Ashtabula. Fifteen members took a trip to Spain on June 12th.

Moving day

The Future Farmers of America have done many things this year. The fruit sale, the horse judging contest, and the convention are just a few of the events in which FFA members participated. The fruit sale was a success once again. The students worked hard unloading, sorting, packing, and delivering the fruit. In March a team went to Burton, Ohio, for a horse judging contest. The team, consisting of Ted Bort, Kathy Carson, Beth Landwehr, Scott McMurray, Dan Porcher, Bryon Sacket, Ken Siggle, Paula Stealhiem, and Ken Verdi, scored the highest with nine hundred twelve points. The feeder pig sale at the Ashtabula Fairgrounds was another learning experience outside of the classroom. The convention for FFA members is another event on the agenda this year. FFA students are learning new techniques and meeting people because of these outside activities.

GIRLS' ATHLETICS ENTERS SECOND DECADE

Ten years ago there were no girls' sports at Edgewood. Oppression and discrimination had gone on unsuccessfully protested for nearly 30 years. And then in the wake of the Civil Rights Movement of the 1960's came Title VII followed by Title IX which said in part that athletics must be equalized by July of 1978.

In 1970-71 Edgewood's first girls' basketball team took the court. The first state tournament was in 1976. The Warriors first went to bat in 1972, and the first state softball tournament was in 1978. The Varsity E Club was formed in 1973, and the first girl Warrior of the Year was named in 1974. Volleyball began in 1975 with a tournament in 1976. Junior high girls' track started in 1975, and senior high track started in 1977. In 1975 junior high volleyball, basketball, and softball began as intramurals. Basketball became a sport in 1978-79. The junior high girls' sports program is still inadequate despite the fact that July of 1978 has long passed.

The Varsity E Club began an elementary basketball skills program in 1976-77 and a softball program in 1977-78. It is the purpose of the Varsity E Club to work for the continued improvement of girls' athletics.

Row 1: J. Rossi, E. Wentworth, D. Gozzard, N. Slack, L. Silvieus, L. Asuma, L. Bortnick. Row 2: Mrs. Hillyer, S. Basen, J. Smith, K. Glotzbecker, S. Hewitt, M. Samay, K. Johnson.

Varsity E Club members Kelly Johnson, Debbie Friend, Shelly Hewitt, Lori Asuma, Julie Smith, and Lynne Silvieus helped teach softball skills to 5th and 6th graders.

ARTISTS IN ACTION

Talents abounded as eight Edgewood artists won awards at the Art Awards contest held at Lakeland Community College. These students received a total of two blue ribbons, five gold keys, and fifteen honorable mentions. The projects that won blue ribbons were sent to New York City for national judging.

Karen Taggart's "Miscegenation," a silver and copper project, won a blue ribbon, a gold key, and an honorable mention. Gregg Dietz's silver and garnet amulet was also awarded a blue ribbon, a gold key, and an honorable mention.

Lori Pinney, Susan Brown, and Loren Leatherman received a gold key and three honorable mentions for their projects.

Sandra Metcalf, Thomas Eden, and Tama Budd also won honorable mentions for their art projects.

This year's American Field Service was very active when it came to raising funds. Their biggest project was the presentation by the Flamenco Dancers. All schools in the area were invited to come to this show given at the Edgewood Auditorium in October. The club also held weekly penny days and often supplied some type of reward for the room with the highest donation. Later in the year the officers organized a dance.

The officers and Claudio went to monthly luncheons where they met with the officers from Harbor and Ashtabula High Schools. After eating, each school's activities for the previous month were stated by the president. Each of the A.F.S. students then related his most frequent activities to the audience. The meeting was then concluded with a program related to learning about foreign countries.

PRESENTS
CLAUDIO STANLEY IBARRA
TO THE CITIZENS OF ASHTABULA

This year Edgewood was host to Claudio Stanley Ibarra from Paraguay.

Claudio leaves us all with a different feeling. He was liked by those who met him; he was friends with a number of the students from the area schools; and he was loved by his family, though his brother, Bruce, claimed insanity as the result of rooming with his brother who would not wear socks. Claudio learned from his various experiences. He joined ski club and succeeded in "proving," as Claudio said, the intermediate hill. He went to Texas to visit a relative of his, thus he saw more of the U.S. besides Ashtabula. Through A.F.S. he learned not only of our country but of other countries when he went on weekend trips with the other foreign exchange students. One evening Claudio and his brother participated in a square dance where Claudio swung the girls around as he lifted them into the air.

The things which Claudio disliked about America were homework, which he did only when absolutely necessary, and giving speeches at the monthly A.F.S. luncheons. He kept his speeches short and to the point. In his farewell speech he stated that his time in Ashtabula had been fun but the time had come to say, Goodbye.

At Left: Claudio asked Judy Gaitens to accompany him to his first American dance. The dance was Edgewood's 1980 Homecoming. Here we view Claudio and Judy enjoying one of the slower numbers.

A.F.S. prepared a birthday cake for Claudio and served it during lunch.

Claudio is trying to make it in the American music scene.

Claudio seems to be a great fan of the Fonz. Ayy!!

Claudio received his Warrior jacket at his Christmas open house.

Warden of Character.

The National Honor Society assembly opened with the following statement by the regent: "No honor conferred by Edgewood Senior High School is greater than that of membership in the National Honor Society."

Who will receive this award? This question is slowly answered as the torch bearers proceed to find the candidates.

After the presentation of the candidates, the individual wardens explain their stations. The qualification for each station is stated at this time.

Character is demonstrated by the student who meets his obligations promptly and completely, shows an honest spirit in his class work, has a sincere attitude when dealing with his teachers and students, and shows qualities which are indispensible to the finest young men and women such as honesty, reliability, promptness and integrity.

Scholarship is achieved by having an average of 3.2 or above. Not more than 15 members of the Junior Class may be elected, and not more than 30 members of the Senior Class may be chosen, including those chosen as Juniors.

Leadership involves setting high standards for others to follow, successfully holding school offices and other positions of responsibility, and exerting a type of leadership which actively and wholesomely leads to fine citizenship.

Service is a willingness to do thoroughly any assigned service in school procedure or student government, to render any service to the school whenever called upon, to show courtesy to visitors by acting as guides or assisting students who are behind in their work, and to perform any other service to the school and community.

The ceremony concluded with parents coming onto the stage to congratulate their sons and daughters.

The pride of Edgewood.

Let's get it together

The *Smoke Signal* staff produced seven issues this year. These papers, which were distributed periodically, kept the students informed of local interests and school activities. It ran feature editorials, special interest articles, sports articles, and poetry.

Working under Mr. Sherman, the advisor, the students learned various aspects of the newspaper business. Each student, for instance, was given the opportunity to be assistant page editor. Through their hard work the *Smoke Signal* flourished.

STAR BEACON REPORTERS
Donna Lingham and Sherry Basen

Four staff members received awards at the 1979-80 Tri-State Scholastic Journalism Contest at Gannon University in Erie, Pennsylvania. Gary Bernardez won an honorable mention in the sports' story category for a bowling story on Ben Marrison. The joint effort of Dave Fell and Mike Meaney in the public service category with a pro-con article on marijuana brought them a second place. Curt Wagner received first place in the editorial competition with an article explaining the financial problems of the *Smoke Signal.*

Sherry Basen and Donna Lingham did an excellent job of informing the community of Edgewood Senior High School's activities.

DANCE THE NIGHT AWAY

A.F.S. Contest

I want three sports cars, a beautiful girl, two speed boats, flying lessons, four . . .

I'm dreaming of a white Christmas.

I could have danced all night.

Student Council, the Smoke Signal, and A.F.S. provided the students with three evenings of entertainment by sponsoring dances.

The atmosphere for the Christmas dance was one of a cold winter's evening. Snow flakes dangled from the ceiling, pine trees were decorated, and Santa was there, too. Individuals entered the dance through a hugh pine wreath.

The Smoke Signal dance was a victory dance. The lobby was packed with enthusiastic fans who released their excitement by dancing and talking with friends.

The decorations for the AFS dance provided a sparkly atmosphere that went along with the light display provided by the disc jockey. The dance contest showed the local talent at their best.

Senior week followed Memorial Day. The week's activities included the mother-daughter tea on Tuesday, M. B. and hip day on Wednesday, gangster day on Thursday, and the senior reception on Friday.

The tea on Tuesday gave the mothers a chance to join their daughters in celebrating the forthcoming graduation. The mothers were presented corsages made from the class flowers. After the program the audience enjoyed a buffet of cake and cookies.

Some seniors added to the excitement of the last week by dressing on Wednesday and Thursday in costumes which depicted the theme of M. B. and hip day and gangster day.

Friday school was over for the seniors. They concluded their educational experience with the senior reception. At this time they were given their caps and gowns, the final sign that graduation had arrived.

Parting is such sweet sorrow.

Friendly advice.

The Senior Breakfast was the last time the seniors were all together except for the graduation ceremony. Holiday Inn was nice enough to let the class celebrate there, serving the students buffet style. Walt, D. J., and Jerry said a few words; then Mr. Fodor gave a short speech, the gist of it being that we would only get out of life what we put into it. Before leaving, everyone stood and sang the alma mater.

Oh! My figure!

Believe in the promise of tomorrow,
But live this day to the fullest.

Brad,
To the sweetest & best looking guy
I know. Remember Springer's? I
never would have met you if it hadn't
been for that. Your a super guy Brad,
and I hope you get everything you've
ever wanted in life. (You usually do!) Your
one person I'll never forget and if there's
ever anything I can do for you, just ask.
(within reason, ~~of course~~). Good-Luck with
Kelly and all your other future plans.

Take-Care
God Bless

Love ya,
Patty

P.S. Remember the
end of May!!
